African American Insttitue- Katzenback-CIA In dropping a note of thanks to my source on the Turner-Sprenz quote I just happened to think of The Espionage Establishment, which I presume you have. Check the index on it and Katzenbach. If you don't have, I'll send copies. They and their house organ were on the teat and K "absolved" the CIA and the foundations for LBJ. How much more pat can it be? HW 9/26/72
